—The finding of the Coroner in in-
vestigating the recent wreck in the
railroad yards at Columbus completely
exonerates train dispatcher Pitt Pond,
who is well known here. The con-
clusion of the Coroner's finding is as
follows: "It therefore appears that
the primary cause of the accident was
in fact that the operator at West Col-
umbus mistook an answer for himself,
which was intended for Toledo station.
He understood the answer "O. K." to
have been intended for himself, accord-
ing to their custom in communicating.
The train dispatcher gave the "O. K."'
intending it for Toledo, ignorant of the
fact that the operator at West Colum-
bus had attempted to obtain permis-
sion for No. 4 to enter the block. The
conclusion, however, would be that
the trouble was with the system of
communication in vogue between the
operators and train dispatcher."

Weyler at his old tricks.
CHICAGO, Aug. 29.—A special from
Boston says: Lieut. Alverado, of Gen.
Maceo's army, arrived here from Cuba.
He says that a month ago Gen. Weyler
discovered a Cuban newspaper in the
pocket of an American named Charles
Churchill, of Pennsylvania. By Weyler's
command Churchill was immediately
wrapped in an American flag and
burned to death. Four American
sea captains were witnesses to this.
Shot Himself With a Rifle.
VEVAY, Ind., Aug. 29.—Lewis Man-
ford, living near Moorefield, shot him-
self with a rifle Friday and killed him-
self. He was single, about 24 years
old. No cause is known as yet.
Gambles, Ind., Aug. 29.—Tramps
entered the house of Asbury Shafer,
and stole two gold watches and \$70 be-
longing to a cousin, Mr. Shafer, of Lo-
gansport, who is visiting here.
Electric Bitters.
Electric Bitters is a medicine suited
for any season, but perhaps more gen-
erally needed, when the languid ex-
hausted feeling prevails, when the liver
is torpid and sluggish and the need of a tonic and alternative is felt.
A prompt use of this medicine has
often averted long and perhaps fatal
bilious fevers. No medicine will act
more surely in counteracting and free-
ing the system from the malarial
poison. Headache, indigestion, con-
stipation, dizziness yield to Electric
Bitters. 50c and \$1.00 per bottle at
Styer's Drug Store.

DETROIT HEARD FROM.
A Well Known Citizen Makes
a Public Statement that is
Attracting Attention.
From Detroit News.
Detroit people, like others of our
cities, are up to date in the general
matters of benefit to themselves, and
Doan's Kidney Pills, having done so
much good in Detroit, they can decide
from evidence of their neighbors its
value to them as a remedy for any and
all kidney complaints, and so they are
interested in the statement made here
by Charles Du Bois, who resides at 209
Alfred street, and has a large circle of
acquaintances. His present occupation
is inspector on behalf of the city of the
pavement and sewer work, a position
for which he is quite capable of filling to the best
interests of Detroit. Mr. Du Bois test-
imony should, indeed, be of value in
substantiating the claims made by the
parties whom he now numbers among
his friends. He says: "I have had
backache, or bad back, as it is called,
for a number of years. I have suffered
untold miseries, and at times I could
not stoop over, but had to remain in an
erect position. I have doctored a great
deal, but the old nagging pain, varying
in severity, still remained. I saw
Doan's Kidney Pills advertised, and,
wondering if they would help me, I got
some. Before I had taken a half box
that 40-year old pain had left me entire-
ly, and, better still, it never returned.
This was some time ago, and I believe
the pains and aches are all gone for
good. I regard this as a great victory
for Doan's Kidney Pills, and a strong
endorsement of your claims. They are
a very agreeable pill to take, causing
no inconvenience, and, in short, as the
college boys would say, 'they're all
right.' I wish you every success. You
can command me in any way as a refer-
ence."
Doan's Kidney Pills for sale by all
dealers. Price 50 cents; mailed by Fos-
ter-Milburn Co., Buffalo, N. Y., sole
agents for the United States. Remem-
ber the name—Doan's—and take no
other.
Reasons For Confidence.
Let the business men who are scared
into selling out their securities at panic
prices and the merchant who trembles
at the thought of buying goods take
heart of grace. Let them remember
that nearly a third of the delegates to
the Chicago convention refused to bow
the knee to the Populist Baal, and that
as large a percentage of the old party
has no notion of wandering off after
these false gods. Twenty per cent, 10
per cent of this element in the Demo-
cratic ranks would save the country from
the results of Populism as effectually as the
10 righteous men would have protected
Sodom and Gomorrah. There can be
no reasonable doubt that this propor-
tion and more will vote for a sound
money ticket or will not vote at all, to
say nothing of that vast body of inde-
pendent voters who are increasing in
number every year and whom no party
ties can hold against their convictions.
The Democrats have met, have organ-
ized, and they have a wide-reaching in-
fluence. There is no doubt as to how
they stand. Long before the first frost
comes sensible people will laugh at the
idea of there being a time when they
could believe this country would have a
Populist president.—Louisville Courier-
Journal (Dem.).
